DeKalb High School transformed its commons into a dazzling country haven as they hosted the semi-formal event, "Nashville Nights." The commons echoed with country tunes, creating a lively atmosphere that transported everyone from small town Waterloo to the heart of Tennessee.

Spongebob

100% Match 2023-2024 3 Episodes ★★★★★

This year our theater department tackled one of the hardest musicals this school has ever done. While audience members might not think Spongebob is anything more than a kids' television show, our group learned a lot of valuable lessons from the story. This production turned out beautifully and demonstrated everyone's hard work.

Europe Trip

100% Match 2023-24 ★★★★★

A group of thirteen girls from DeKalb, including me, was able to take an international trip that was a one-of-a-kind experience! We saw three different countries in the span of nine days. First, we flew from the US to London, UK. We saw landmarks like Big Ben, the National Gallery of London, and the changing of the guard at Buckingham Palace - while the king was in residence! Due to a mishap with getting to Paris, half of the group got to see The Globe Theater and go on the London Eye to see the view of London from up high. The other half rode the Eurostar to Paris where they took a bus tour to see landmarks like the Eiffel Tower, L'Arc de Triomphe, and more! The next day, finally everyone was in Paris and we got t go into the Louvre and look at all the amazing art! We also got to see Sacre Coeur and walk around Montmartre. Our last destination was Venice, Italy. We rode boats everywhere, and it was so warm! We visited St. Mark's Square and St. Mark's Basilica. We got to go to Murano Island, where they blow glass; we saw a demonstration and had time to shop for some Italian glass! We had tons of time to shop and visit all the shops in all the little alleyways of Venice, and of course, we tried authentic Italian gelato, pasta, and pizza! This trip was so special and I don't think our group will ever forget the times we spent together in Europe! - Mackenzie Schory

What about the theme spoke to you?

The journey of this theme spoke to me this year. The transition from dark to light spoke to me because I got to experience it with the band and the guard. They helped show me that even though we all went through hardships throughout our journey, it was all worth it in the end because we found companionship and refuge in each other. - Makenzie Duhamell, 9

What was your favorite memory of the season?

My favorite memory is after our semi-state performance my entire section hugged each other and cried together. - Lillyanne Hull, 9

That football game where we almost got run over by a bunch of football players. - Carter Birchfield, 11

How has your team grown closer together over the season?

As we work on the same visuals and the same musical parts, our common mistakes and common achievements are always something to laugh about or celebrate, and that definitely brings us closer. - Mackenzie Schory, 10

Watch Again?

The 2024 Yearbook Staff put together a great yearbook for you this year. Our theme was "Netflix", and every page included elements that represented our theme with colors, graphics, and unique fonts. The staff worked diligently to cover each event that happened this school year, but we couldn't do it without the help of players, coaches, club members, students, and parents who contributed awesome photos for our pages. In particular, we owe a great deal of thanks to Laura Pentecost who generously contributed awesome photos for our sports section.

One of our goals was to include everyone in the book at least 3 times, but some students chose not to participate. Thank you to all who gave quotes or photos for various features in the book.

Special thanks to Christine Williams, Ann Browder, Michelle Hollandsworth our Lifetouch photo representatives, and Alliee Reeves our yearbook production representative. Big thanks to the staff who came in to finish the book over the summer. Another big thank you to Mrs. Miller for helping guide the staff all year long, as well as baking great treats for the staff!

We worked many hours both in and out of school, and we are very proud of the book. If you appear on a page but are not properly indexed, we apologize. This is a student publication, so we apologize for any error that might have been overlooked.

Time is a thief, as your childhood has passed with a blink of an eye. Your life has been such a blessing to our family. We have cherished every moment and pray you continue to be YOUnique and stay strong in your beliefs. "Take care of your memories, for you cannot relive them."~Bob Dylan
